Meanwhile in Wild West One...

Sheriff Randy Bastard stood at the packed bar of the Crazy Whores Saloon in Vadge City.

"Give me a Red Eye!" he demanded, so the bartender poked him in the face with his finger. The pianist tinkled away in the corner, but luckily somebody mopped it upstraight away. Belle the big busted saloon singer sidled over to the Sheriff who put his arm round her waist.

"Hiya, big boy," she purred, so he put his arm round her tits instead.

"Mmmm, there's gold in them there hills," thought Randy to himself.

Then suddenly, and without warning, the saloon doors swung open.

"Hey, Sheriff, Sheriff!" cried a ragged-assed cowboy who'd once worked as a plumber in Lewisham. "You'd better come out here. The new Club's in town!"

Suddenly the crowded bar fell silent. The Sheriff chewed on an old butt.

"Hey, Sheriff, will ya' quit biting my ass, you bastard!" cried Belle, the big busted saloon singer.

"The new Club, eh?" he said, trying to narrow his eyes like Clint Eastwood, and looking more like a Japanese tourist.

"That's right, Sheriff," panted the ex-plumber. "And there's a whole crowd of them this time. There's Tanya, Miriam, Nadine, Bridget, Sandy, Tracy. and this beautiful new girl, Kim."

"That's enough to make any cowboy start shooting," commented the Sheriff. "What are they up to?"

"They're up to page 75, then there's a bunch of naughty confessions and the 0898 adverts. The one that terrifies me is naughty Nadine. She's threatening to blow every guy in town's brains out, and from the look of her lips, I'd bet my last dollar she could do it!"

The doors burst open again, and this time an exhausted man fell on the floor.

"Are you okay? What happened to you, pardner?" asked the Sheriff.

"My girlfriend has been got

Kim — she's the new Club girl!

racey — she's a bit of a handful!

at by Club," he panted. "Reading all those letters and dirty confessions really got her worked up and she forced me to shag her till I dropped."

"A stick-up, eh?" muttered the Sheriff.

"Now she says she's gonna come over here," he cried.

"I'll get the mop again," moaned the bartender.

"No woman's ever gonna lick me." boasted the ex–plumber stupidly, "I'll show them. I'll be back tomorrow when I've got my tools. Mind you, it'll take a couple of weeks, then there's making good and I'd want cash — saves on the paperwork..."

With that he disappeared and was never seen again.

"What are you gonna do, Sheriff?" asked the bartender.

The Sheriff and his shooter thought long and hard about Club and its girls.

"I know," he said finally. "I'm gonna go out there and find myself a strong, loyal pussy."

"Don't you mean a posse, Sheriff?" asked the bartman. Randy Bastard smiled.

"A guy only gets to be Sheriff by knowing what he wants!"

COME AGAIN

the girl you've asked to see

This month Club has been inundated with requests from right-on readers to preserve a little bit of the Amazon. It's the part of Brazil called Letitia whose spectacular peaks and dark damp rain forest were featured in Vol 20 No 9. Several MDs of international companies were anxious to get their greasy hands on these delectable foreign parts with a view to erecting something there. But we at Club stand firm and proud (especially from the waist down). Letitia does not need any builders or developers. She's sufficiently well built and well developed already. Thanks to your letters, we're campaigning to keep Letitia as hot, steamy and untouched by man as she was before. And just to prove our success, here is a picture that was taken just a few minutes ago showing that lovely Letitia looks exactly the same as she did all those months ago. With your support, Letitia will stay as beautiful, brown and unspoilt as she ever was.

All of which is a rather convoluted way of saying that we couldn't resist showing another picture of the hottest thing to come out of Brazil since black coffee! Fancy another? ♣

IN·THE·BAG

If you've been at it like a rabbit, then send your rampant ramblings to: In The Bag, Club International, 2 Archer Street, London W1V 7HE.

More, More, More!

As a new convert to the many delights of Club, I have to tell you that Vol 20 No 9 was an absolute cracker! All of the ladies you featured each had their very own special characteristics, but here's what I thought of just a few of them...

First of all I'd love to roll around in the sand with lovely Letitia, slowly licking my tongue all over her soft skin, before we both fell into each other's arms underneath the hot sun. Then I'd love to get up to some filthy frolics in the bedroom with blonde bombshell, Claire. I'd gently kiss my way down over her flat stomach, before licking her smooth pussy.

And what about stunning centrefold Cameo? Wow! She must have the most amazing nipples that I've ever seen! I'd love to roll those cute buds around in my mouth, before venturing down to her tasty looking pussy. Then I'd spend the rest of my life with curvy Cassie, my absolute favourite — that long blonde hair drove me crazy! I can't wait to see if every issue is as horny as this one. Keep up the good work! — *Richard, Colchester*

All Girls Together

My girlfriend Sally is helping me to write this letter as part of a bargain we made with Andrew, a sexy sales rep who joined our company a few months ago.

Sally and I weren't too impressed with Andrew at first. Although he's very good looking, his bragging put us off, so we both turned down his advances. But I must admit when he told me he was "big where it really matters", I was curious to find out if it was true! Finally Sally challenged me to call his bluff and we made a date to meet him at his flat.

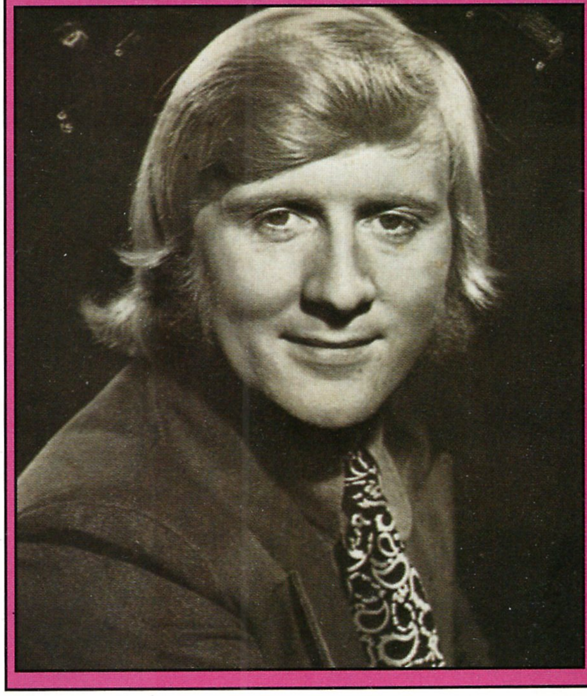
We both dressed to thrill. Sally is a 20-year-old with long blonde hair and great tits, which her low-cut mini-dress emphasized. I'm 19, and small, but with curves in all the right places, and black hair. As we complimented each other on our knockout appearance, I felt the first stirrings of lust, and realized tonight was my chance to have Sally as well as Andrew!

Once inside his flat, Sally and I stripped to our skimpy underwear. We were both so turned on we couldn't wait! Andrew undressed completely, his cock already rising to its impressive size as he slid his shorts off. Then Sally and I both began to lick his dick, our tongues meeting from time to time as we lapped at his shaft and balls.

Sally started to fondle my tits too, and that made me so horny I slid my fingers into my panties to rub my tingling clit. When Andrew realized what was going on, he stepped back and said he'd always wanted to see two girls fucking each other.

Well, I guess that was the excuse I'd been waiting for! In seconds I had Sally's panties around her ankles as I stroked up and down her slit with my tongue. She tasted really sweet, and I found I knew just what to do to make her moan and shiver as I made her come. By the time she was licking my cunt enthusiastically, I'd completely forgotten about our audience — until Andrew showered us both

HAIRSTYLES OF THE RICH AND FAMOUS



Dear Nadine,

When I saw your pictures in Vol 20 No 9, I just had to write in and tell you how sexy you looked spread out on that leather sofa.

I had a great time fantasizing about all the dirty things that we could do. I'd start by kissing your breasts, making sure that I paid extra special attention to your nipples and then you'd ask me to go down further.

I'd kiss my way down over your stomach and then I'd slowly ease your legs apart and run my tongue along your sopping slit.

You'd be so turned on now that you'd be screaming for me to fuck you. I'd lift you up and then get you to bend over the arm of the sofa, then I'd fuck you doggie style... how do you fancy making my fantasy come true, Nadine? — *Ben, Salisbury*

Well, Ben, you're pretty sure about what you want, aren't you? I like a man who knows exactly what he wants — but you missed out on the best part. After you'd fucked me, we'd take a shower together, with you soaping up my boobs into a lather. Then I'd kneel down and I'd clamp my tits around your dick and you'd start thrusting until you shot your load. After that we'd retire to the bedroom for a long, slow shag.

Mmm, all this dirty talk has got me so horny already, Ben, and you know what happens when I feel like that, don't you? — ***Nadine***

Introducing a new series in which Club barber, Vital Baboon, takes a look at the crap coiffures of international celebrities.

No 1: Chris Tarrant

Back in the 1970s before he became a hugely successful game show host and advert voice-over artiste, Chris Tarrant was a local reporter on Birmingham's *ATV Today.* In those days, rather than the trendy swept back and gelled style he opts for today, Chris plumped instead for a combed-over fringe set off with gruesome sideburns. The Windsor-knotted tie, wide lapelled jacket and ear-lobe length hair certainly helped make him what he is today — crap! ♣

Sally and I did eventually get around to fucking Andrew, and we still have the occasional threesome; but meanwhile us two girls get together most nights for a horny lezzie session! — *Heather, Edinburgh*

Naughty Knickers

My girlfriend's cousin recently asked me to help her decorate her flat. I started off with her bathroom, then moved on to the bedroom... all was going well until I got the urge to look in Vicky's underwear drawer. You see,

bridgette

Bridgette, our 21-year-old stunner from Richmond, was slightly nervous about making her debut for Club. But the Sri Lankan-born beauty came up with her own novel way of getting around the problem...

"It's all a matter of using your imagination," reveals

the dusky beauty. "And I've got a very vivid imagination, I can tell you!"

Do tell us more.

"Well, it's simple," laughs Bridgette. "I just imagined that I was alone on the beach with nothing but a well-hung young stud for company. I tried to imagine all the naughty

things that we could do together."

And did that do the trick, we asked.

"Well, put it this way," smiles Bridgette. "I think the photographs speak for themselves, don't you?" ♣

GOBBLE!

Fatty Goes to Hollywood

After their tumultuous wedding last month, Mr and Mrs **Nathaniel Fatbastard** are off on their honeymoon to Los Angeles for fun, frolics and something else beginning with an F...

It was the first night of my honeymoon with my new bride, and I have to admit it, I was terrified. It wasn't the getting up successfully that bothered me — it was managing to stay up. What would happen if it came down unexpectedly? The stewardess tried to reassure me.

"It's alright, Mr Fatbastard, our planes hardly ever crash."

"Once is enough for me," I replied wittily.

You might expect that a man like me who's big in parts he's never even seen would know how to handle a Jumbo. But to be honest, the only wide-bodied plane thing I've been on in my life is my new wife Ninja. Flying doesn't really frighten me. But crashing sure does! I mean, even the airports know that it can be fatal. Why else do they call the place you leave from the Terminal?

After the wedding, we had gone straight to Getonyawick Airport to catch our flight to Los Angeles. Ninja had told me that being a fan of the big screen, she'd always wanted to go to the film capital of the world, and as Bombay was fully booked, we had to make do with Hollywood. We were flying Jewish Airlines, Princess class, which entitled us to free champagne, chicken soup and a manicure. The clerk had told us the flight would take ten hours ("but to you, only nine-and-a-half"), and when I dared open my eyes I was very impressed with the service, although I was a little disconcerted that you weren't allowed to call the stewardess without meeting her mother first. But thanks to several magnums of Jewish champagne *(Oy Veh and Chandon '63)*, a fistful of downers and the in-flight movie *(The Unbearable Triteness of Being)*, I slept for most the journey.

When we arrived it was 120 degrees in the shade, so we kept cool by staying in the sun. To fit in with the locals I'd already changed into my *Gloria Badlibuilt* designer Bermuda shorts and Hawaiian shirt decorated with *Hanna Barbera* characters from 1969-75. We got a cab to our hotel to avoid being mugged, but when we saw the extortionate fare we realised we had been. Also the bumpy ride caused the Hebrew bubbly to put on an unexpected spurt and I managed to put a damp patch on Shaggy's flares, stain Penelope Pitstop's clutch and dribble down Squiddly Diddly's tentacles.

We were staying at *The Los Angeles Best Hilton Plaza International Inn and Spud-U-Like* (1794842, East 47th Street, L.A.), and after the searing heat of the street we went out of the frying pan into the foyer. The girl on reception had all the animation and vocabulary of a Barbie doll.

"Good-morning-Sir-have-a-nice-day-thank-you-for-staying-with-Best-Hilton-how-may-I-help-you?"

"My name's Fatbastard. I've booked the bridal suite," I said proudly.

"Thank-you-Sir-please-sign-here-and-put-your-full-address," she continued.

"And don't-forget-the-zip-code, Mr Fatbastard."

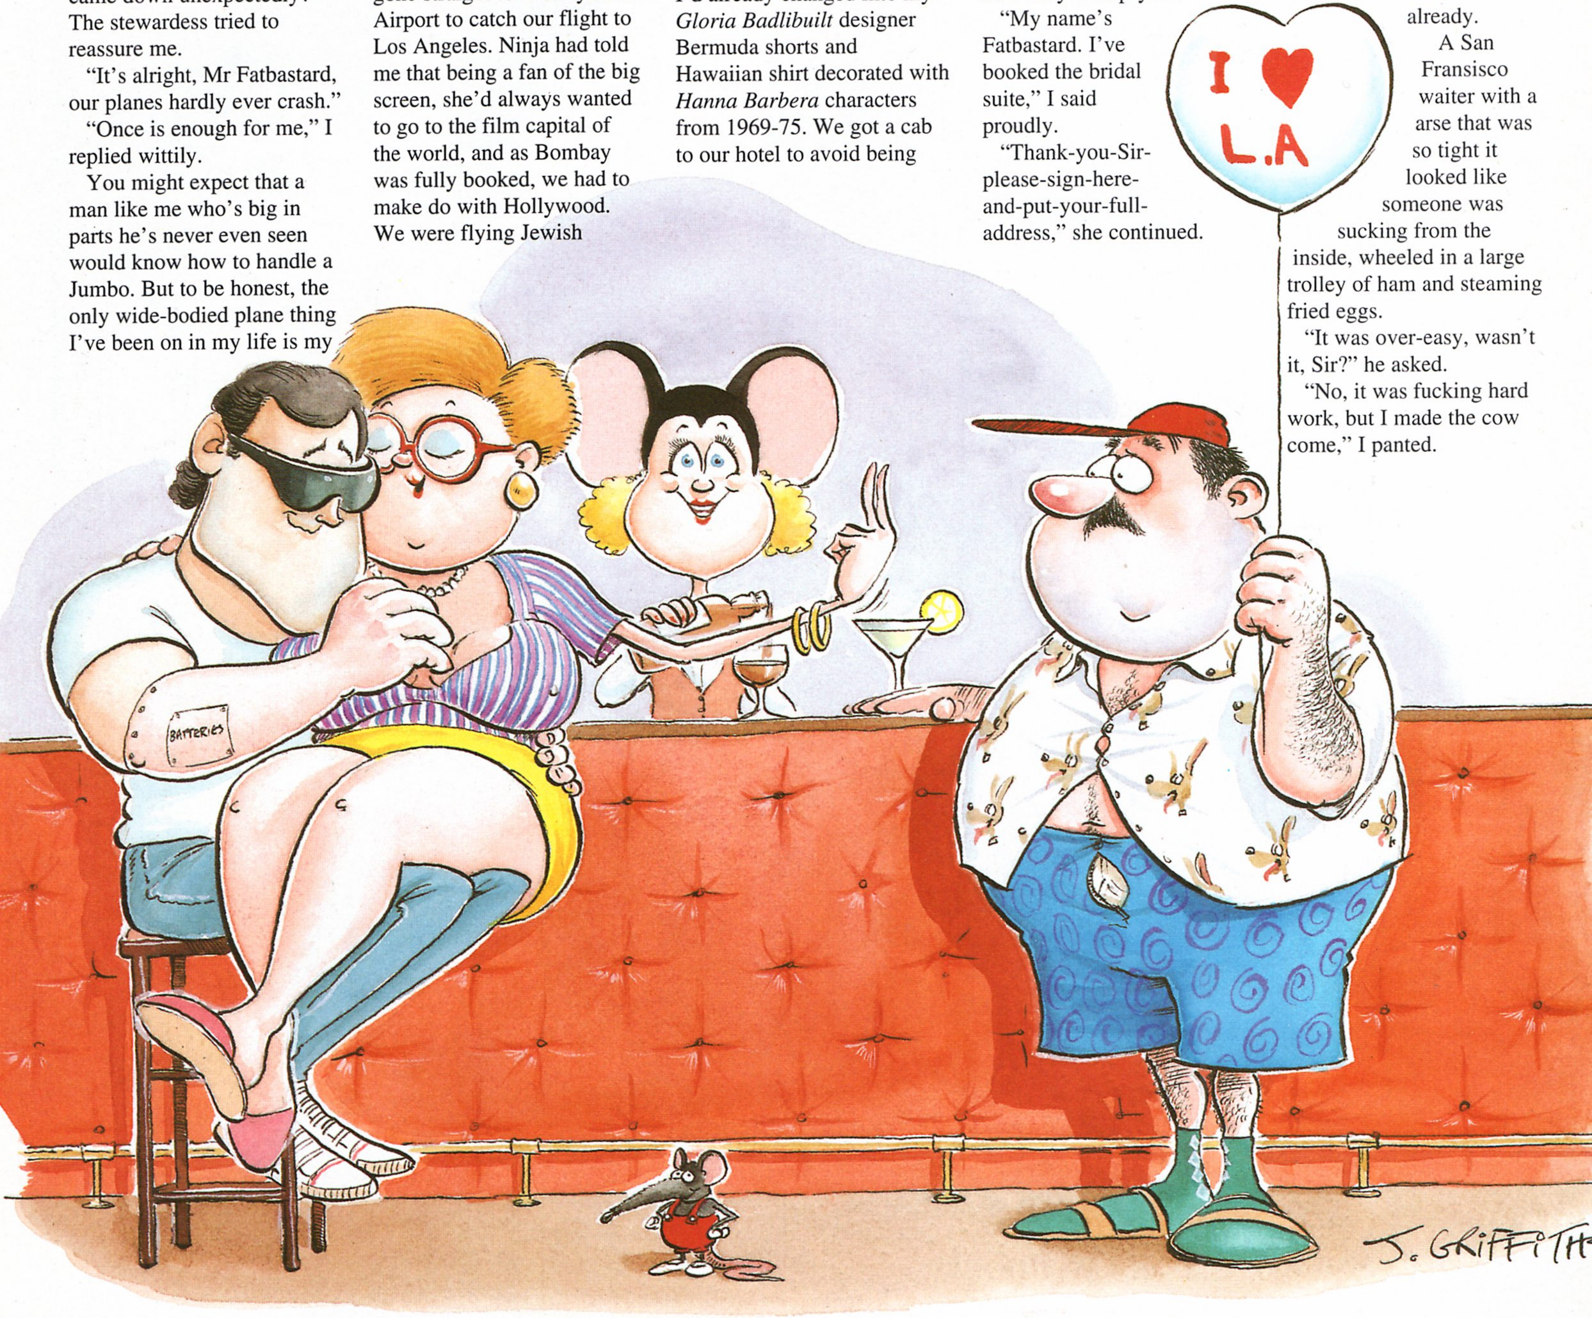
"Don't worry, I won't, darling," I replied wittily. "I always check they're done up before I go anywhere."

Now I hope you don't expect me to be so ungallant as to tell you what happened when we finally put the 'Do Not Disturb' sign on the door. Suffice it to say Ninja slaps the Slumberland like a whale on a trampoline. We tried more positions than an impatient pensioner gatecrashing the queues at the post office, and after six hours I'd done it no less than ten times, and I even made Ninja come once. I was still panting and sweating when I heard a gentle knock on the door. It was 8am, and the bastards were bringing the breakfast we'd ordered already.

A San Fransisco waiter with a arse that was so tight it looked like someone was sucking from the inside, wheeled in a large trolley of ham and steaming fried eggs.

"It was over-easy, wasn't it, Sir?" he asked.

"No, it was fucking hard work, but I made the cow come," I panted.



After realising he was referring to the 'style' of my eggs, I told him to piss off, and we tucked in to our breakfast. As well as ham and eggs, there were hash browns, waffles and maple syrup and a bowl of *Golden Freckles* (lumps of puffed wheat shaped like arseholes and coated in honey). After this light snack, we turned on the telly to catch *Good Morning, Los Angeles* on Channel 176 with veteran host Walter Cuntite and his female colleague, Sherilee Bimbeau. In the States, they call elderly hosts like this "anchors". It's an appropriate name really as they're usually very heavy, extremely rusty and spend most of their time on the bottom of their producers. Five minutes was all that we could stand before we left our marital bed to see some of the tourist sights.

L.A. has hundreds of landmarks but you can't see any of the bastards 'cos of the smog. Smog is a euphemism for shit, and Los Angeles is fuller of it than a bog in Bognor on Bank Holiday. The air is thicker than a cable TV game show hostess, and just as likely to make you gag, but we called a cab, and made our way to one of the city's biggest attractions.

Ninja had set her heart on seeing Los Angeles' new Scottish theme park *Disneawork* (1, Happiness Boulevard, L. A.), so we queued up behind 2,000 sick kids who'd travelled thousands of miles to be shamelessly ripped off before they snuffed it.

All Ninja's favourite cartoon characters and merchandising items were all there. Lovable Scottish vermin, MacKay Mouse, and his manic depressive psychopathic pal, McDonald Duck, were played by two out-of-work actors sweating like supermarket cheese in rubber suits. Randi, the lovable fawn, was rubbing his bollocks on a cardboard tree, whilst Jiminy Fuckit, the voice of the little wooden boy's apathy in *Pinprickio,* sang his big hit, "When I wish upon a star, it makes no difference!"

After riding the Rickety Rail Road, a realistic recreation of the Glasgow underground, we watched five animatronic robots fight it out in a mock Gorbals razor battle. Then it was off to the bar for a few pints of Scotch-style heavy bitter, whilst Ninja opted for the low alcohol, low calorie equivalent, *Heavy Lite*. It was there that Ninja saw him.

On his own in a corner, taking a day off from signing autographs for tourists on the *Universally Crap Films Tour*, was Ninja's hero. Lee Rogers, star of *The Six Million Dollar Cock*. As Ninja walked in, he looked up right away. So did his supposedly bionic bollocks. As soon as he saw Ninja's equally inhuman nawks at the same time, she heard the rapid electronic beeping that always accompanied his NASA-sponsored erection.

"Lee!" she cried, running over to him.

"Fuck me, look at the size of those tits!" he replied, before becoming part of a massive mamm sandwich.

Suddenly I felt as rejected as a foreskin at St Cohen's Maternity Hospital. It immediatedly occurred to me that I could never be as big in Ninja's eyes as her heroes from television. There was only one thing to do, I wandered off to get pissed.

Two hours later, there was still no sign of Ninja and I was more rat-faced than MacKay Mouse. The barman was asking me to leave. I already had a Bermuda triangle on my shorts, and had inadvertently honked several pints down the plastic trunk of Dimbo, the Lovable Deformed Elephant. I had to face it. Ninja had fucked off with the Bionic Gland. Then suddenly, a beautiful dark haired girl walked in with a midget in a mac. It was Snow Good and Pervy, the little known eighth dwarf.

"Hi-ho, hi-ho, it's off to the bar I go!" chirruped the little shit in the rubber raincoat. "I'll have a whisky and soda," he said. "Is it an apple juice for you, Snow Good?"

I quickly recognised the chance of a lifetime staring me in the face.

"Fuck off, shortarse!" I bellowed, pushing the pint-sized pervert aside. "Hey, Snowy, fancy coming back to my hotel to fuck with a full-sized one for a change? If you can whistle while I'm at work, I'll buy breakfast!"

"You're on, big boy!" she replied. Aaaahhh! A happy ending. ♣

TOP TITS

Oh those majestic Highlands with their beautiful rolling hills and spectacular peaks! Yes, this month, Top Tits' tour of the world's most exciting parts comes to Bonny Booby Scotland.

You take the low road, but I'll take the high road and have a close look at the stunning upland scenery, admired by men since the days of Horny Prince Charlie. Scottish history is full of large-breasted lassies. There was Flora MacDonald — the original Big Mac — whose whoppers helped hide the Scottish pretender; Morag McPherson from the Western Isles whose titties were known locally as the Beauts of Kyle and the top heavy Tammy Shanta, nicknamed the Upper Hebrides. But one pair has mystified men for centuries...

The Loch Ness Monsters are said to be a huge pair of Hibernian hugbags that have lived just below Bra Nevis since prehistoric times. Numerous sightings of the massive tits have been reported, and blurred photos of their twin humps produced as evidence. If Nawky, as she's called, does exist, then she is enormous — far bigger than anything we know today. Possibly she could be an example of Whammasaurus Rex, a huge-chested species that roamed round the Earth in the Cleave Age.

Sceptics are doubtful, but I for one will pay a good deal of money for any photographic evidence of these huge pre-historic tits — or any huge tits for that matter. Och aye the boob! — *George Breast* ♣

MEET THE STAFF

After months of tantalising foreplay, the bit you buy the book for reaches its throbbing climax! Yes, it's time to... Meet the Ed!!!

A remote and lonely figure, the Ed directs operations from his three-acre walnut-panelled office on the 86th floor of the palatial Club HQ.

Visitors must walk over a mile across the deep-pile carpet to reach the hushed inner sanctum, where hand-made Egyptian cushions are thoughtfully provided for them to kneel on.

"Despite my peanut-shaped appearance, I am possibly the most brilliant and influential Editor operating in the Western world today," the Ed said in a statement issued through his press secretary.

"The day-to-day running of the huge, complex operation that is *Club International* requires advanced technical knowhow, a sense of humour, charm, vision and incredibly good taste in stunning women. I possess all these qualities in vast amounts, and in addition to this I am very closely related to God.

"However, the most important talent I have is my ability to sack large numbers of people for no reason at all, and replace them with people who are even more clueless than the first lot. This means that everyone on the magazine apart from me is a rank amateur, so no matter how much I cock everything up I still look good by comparison! So there, you conspiring bastards! Ha, ha, ha! You'll never take me alive! It's not my fault that I was tragically born a peanut!"

The Editor has sacked himself for the use of that last joke, which he has now published 3,693 times. This is therefore the last in our great Meet The Staff *series. There aren't any left.* ♣

IN·THE·BAG

Vicky is a beautiful 19-year-old brunette, with a figure that would turn jelly hard.

I opened her top drawer to find some really sexy stuff — tiny little G-strings, garter belts, and even some crotchless panties. I soon had my cock out and was wanking myself off into a pair of tiny white see-through panties imagining what they'd look like on Vicky.

I was getting close to shooting my load when I heard a sexy voice behind me. "Wouldn't you prefer to come in these ones?" I turned around and there was Vicky, her skirt up around her waist and her pink panties pulled tight against her crotch. As I watched her, she pulled them down around her thighs so I could see they were damp with her pussy juice. She pulled her pussy lips apart so I could see just how wet she was, then she came towards me, grabbed my cock and

CALIFORNIA

Club is proud to announce that it's doing its bit to help Britain's bid for gold in the 1992 Olympics which, thanks to a successful last minute bid, are due to be held in the Top Bedsit, 183 Grimsby Drive, Cleethorpes. Our athletics experts Jim Rosesenguns, tells us that no athlete can survive today without massive corporate sponsorship, so following a whip-round in the pub, we are proud to announce our candidate for the 100 metres hurdles, Sebastian Gek-Coe.

Seb is a Mediterranean tree-lizard, but his lack of current form and lycra shorts, is not proving a handicap to training. In fact, he reckons his 360 degree vision, two-foot fly-catching tongue and ability to hang upside down for extended periods is a positive advantage . What's more being amphibious, Seb is hoping to enter some of the shorter swimming events too.

So watch out for our exclusive coverage of live international athletics featuring our very own lizard, Seb Gek-Coe, in Club over the next few months.

The First Time...

My name is Jayne and I have a horny confession to make to all you Club readers. Up until last weekend I had never had a real lesbian experience. I used to go to a nightclub every Saturday hoping to meet a sexy girl to fulfil my fantasies, but I'd had no luck — until I met Louise!

I'd noticed her before, and everything about her turned me on. She's half-Indian, and her exotic dark skin and long hair are just so sexy! Last weekend I plucked up enough courage to ask her if she wanted a drink, and we were soon getting really friendly. It was very hot that night and I could see the sweat glistening on her ample cleavage. I found myself getting so excited that I wanted to go to the toilets to play with my tingling pussy. But Louise suddenly grabbed me, kissed me passionately, and led me outside to her car.

We got into the back together, and at once Louise's hands were up underneath my dress, sliding up my thigh towards my dripping cunt. Her fingers pushed the crotch of my panties aside so they could slip right up my pussy, and I started to push against her hand, riding her teasing fingers until I came. Once my first intense wave of lust had been satisfied, we took things slower, carefully exploring each other's body there in the dark.

Louise caressed my heaving boobs, licking my hard nipples, before sliding her tongue down to my cunt. My clitty was hard and throbbing as she lapped up my juice, and I suddenly got the overwhelming urge to get my first taste of another girl's pussy. Despite the size of the car, we managed to get into a 69 position, and Louise's

It's second time around for Nadine, the geography student from Staffordshire, who bared her beautiful body in Club a couple of issues back. But it seems the naughty 19-year-old still isn't satisfied. We'll let her do the talking...

"When I knew my photographs were going to be in Club, I rushed out and bought my very

own copy," confesses Nadine. "I thought the photographs looked really sexy, but I still don't think that I'm as rude as most of the naughty girls that you feature.

"You see, I've lived in a small village all my life and the most outrageous thing that I've ever done was getting caught on the village green with a local lad last summer," she laughs.

"We were right in the middle of some pretty heavy petting, when I just happened to look around and saw that half the population of the town was watching us," sighs the winsome blonde. "The poor guy was so embarrassed that he disappeared in a cloud of dust. I'm sorry to say that he never did finish the job!" ♣

......IT IS NOW!

This month, **Maurice Short**, takes a long and lingering look at Icke's Disease, extremely violent players and the ugliest team in football, Feyenoord (He obviously hasn't seen the Club International XI then, has he? — The Ed).

A strange virus is stalking the world's footballers, it seems. This mystery disease is known to scientists as Spottheloonnitis, or, to give give it its laymen's name, Icke's Complaint. No sooner had the first case afflicted the ex-Hereford united keeper than there was another outbreak, this time in Italy. The unfortunate victim is none other than German superstar Jurgen Klinsmann of Inter Milan. Readers will doubtless remember Klinsmann for his graceful display of diving during Inter's UEFA Cup clash with Aston Villa. Alas it seems that such perfect pikes, tucks and spectacular writhing will soon be absent from our screens forever. At the age of 26 Klinsmann has decided to pack up in football, pick up his rucksack and hitch-hike across America. Like Mr Icke, the melodramatic Kraut is worried about the fate of planet Earth. "How can I think about football," he moans, "when such terrible things are happening to the Brazilian rain forests?"

Doctors are now speculating on where the disease will strike next. Will Elton Welsby join the Peace Convoy? Will Vinnie Jones sit on top of a telegraph pole for three months to publicise the plight of the Australian aborigines? Will Gazza make a crap record about the

The Final Episode of our Well Soaped Bum Opera...

The entire cast of *RearEnders* are on the Bettabums bus returning to Neverfeeled after their daytrip to Bumbridge.

"Right," said Curly Pubes, "Are we all here?"

The regulars at the *Queen Dick* and *Gropers Return* cheered drunkenly in reply.

"In that case, driver, let's get back to Wancashire!"

Had Curley given more thought to booking a driver rather than what a great day out it would be to go to another haunt of bottom-related innuendo, he might have wondered why the driver always carried a white stick, walked a labrador and was known as Blind Pew.

After a few minutes driving, Pete Feale saw an arse-orientated road sign.

"Oooh look, tweacles, it's Pwatts Bottom!"

"What!" chorused the coach party.

The sudden loud noise was enough to make the myopic PSV licence holder swerve violently and career straight towards a small roadside cafe. With an almighty crash the coach smashed into the gaily painted walls of the Little Chuff cafe...

Det Insp Mason and Det Con Paddy Basher were given the job of dealing with the incident.

"Okay, Basher, let's have the complete list of fatalities again."

"Yes, Sir," replied the soon-to-be-promoted xenophobe. "There was Curly Pubes, Reg Holdsbuttock, Pete Feale, Bot Cotton, Arse and Appalling Fowlup, Jack and Vera Fuckwitt, Alf

The ugliest team in football? From left to right: Cor Veldhoen: the original Pee Wee Herman; Piet Romenn: the only OAP to play in a European Cup Final; Coen Mouliun: Mr Sexy; Rinus Israel: athletic looking, or what?

Madagascan ring-tailed lemur? Only time will tell.

I wonder if any readers have noticed the alarming similarity between Leeds United footballer, Steve Hodge and Scott Tracy from *Thunderbirds*? England rugby captain, Will Carling also bears an uncanny resemblance to a member of International Rescue, and if you put a suitable pair of glasses on Nigel Clough he's a dead ringer for *Joe 90*. All of which might lead those of us with a sharp mind and the nose of a true newshound to conclude that the recent dirth of Gerry Anderson puppet drama from our TV screens stems from the fact that the creator of *Captain Scarlet*, *Stingray* et al is currently engaged in some top secret government project to produce robotic sportsmen. A call to the office of Sports Minister, Robert Atkins earned a stiff, "No comment". When I pressed him the spokesman said, "Get off the line, Short, you drunken git!" What are they trying to hide?

The question of who is the most gruesome footballer of all time entered a new international phase this month with an interesting missive from Jan of Rotterdam. Jan says: "I know you British are very patriotic and are justifiably proud of your reputation as the ugliest people in Europe. However, I feel that the title of least attractive team in Europe belongs here in the Netherlands. The Feyenoord side of 1970-71 must surely be unsurpassed for its repulsive combination of pustulant skin conditions, mis-shapen heads and corrugated carrot-top hairstyles. Coincidentally they also won the European Cup, beating a terrified Celtic 2:1. I enclose some snaps to prove my point."

I see what you mean, Jan. It's rather a surprise that these photos weren't seized by customs. With his horn rimmed specs and lardy skin, Rinus Israel looks like the kind of demented train-spotter who lives at home with his mum until the coppers come round and find something nasty under the floorboards *("Neighbours said he was a quiet man who kept himself to himself");* Coer Veldhoen is a Pee Wee Herman lookalike whilst Coen Moulijn looks to be at least 130 years old. Well done, Jan! I'd like to say thank you, but, to be honest, ever since I looked at these pictures I've been having terrible nightmares. I hope this is the last time this subject raises its ugly head.

Another card was rammed in my pigeon hole this month by Tommy of Wallsend. Tommy says: "Nivver mind arl these fit sports lasses, what aboot the dortiest footballer of arl time? My money's on the Magpies' Danish stor of yesteryor, Benny Arentoft. Rock hard that lad, an' arl nack any bugget that sez different."

Divvent bother yersel' Tommy man *(English translation: 'For fuck's sake' — The Ed)*. Benny 'The Bacon-Slicer' Arentoft was indeed a fearsome footballer. The fact that he was a foreigner seems to have given him extra powers. Because, despite the Hurlocks, Hunters, Hockeys and Harris's, British players are, by and large, a gentle bunch. Especially compared to their continental counterparts. Men like the belligerent Basque Goikoetxea, aptly nicknamed the 'Butcher of Bilbao', who once launched a tackle on Maradona that was so late the poisoned dwarf of the Pampas was in the coach and half way home before he made contact. Or Claudio Gentile, hit man of the Italian World Cup winners of 1982, who frequently embarrassed players by ripping their clothes off. Away from the field Claudio was a sensitive soul. He once sued an Italian newspaper for libel when they described him as a 'barbarian'.

Pride of place though goes to two teams of South Americans, Boca Juniors (Argentina) and Sporting Cristal (Peru). When the two met in a South American Championship match tempers became a trifled frayed. The result? 19 players sent off, several of whom were later arrested and charged with assault. Now that's what I call a passion for football. ♣

Sloberts and his wife Tawdry, Kevin and Silly Plebster, Rita Faircleft, Derek and Mavis Wilting, Butt Clynch, Alec Killjoy, Ken Borelow, Councillor Deirdre Dreary and the driver, one Stevie Wonder.

"That's practically the whole of Albutt Square and Neverfeeled," commented Mason. "Now we can turn the column into a bottom-related detective series... " ***(No, we won't! — The Ed)***

SHE'LL MAKE YOUR DREAMS COME TRUE!

Hey, we're not selfish people here at Club, so when we first set eyes on 21-year-old Kim Wetherby, we just couldn't keep her to ourselves. I'd seen a few copies of the magazine — I used to sneakily pinch my big brother's issue sometimes! — and I knew the girls were all really pretty. I was a bit shy about having seen Club, but I mentioned it to a friend and she suggested I write off to

MILLA time

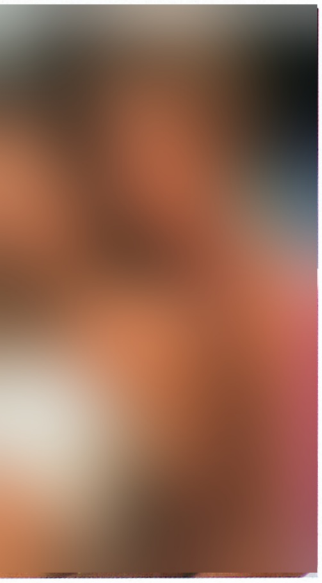
Just when you thought it was safe to go back in the cinema, up pops topless sweet sixteen-year-old Milla Jovovich in *Return to the Blue Lagoon*, discovering things about her body and sprouting hair in funny places. **Dennis Copley** meets the would-be Lolita and gets a good eye full...

Milla Jovovich's most striking feature is her eyes. That's not to say that they're her *only* striking features (more about these later) but they are quite simply stunning. They are blue — a deep, almost impossible blue and they fix you with a comfortable, sexy stare. The sort of stare you could fall in love with.

Milla is the star of *Return to the Blue Lagoon* a sequel — surprisingly enough — to *Blue Lagoon*, the film that saw Brooke Shields running near naked around a desert island wearing little more than a smile and a loincloth to hide her embarrassment. The sequel sees Milla doing very much the same in what turns out to be what one journalist described as a "soft porn film for teenagers."

Was she embarrassed about the skimpy nature of her wardrobe in her first lead film role? "I felt a little bit shy because there were a lot of men around and I was wearing all these scanty clothes. But eventually I got used to exposing my body and I didn't feel at all uncomfortable."

In fact she has become so comfortable with the idea of herself — and little else — on screen that she is considering a part in a re-make of the Sixties shocker film *Lolita*, about the young girl who seduced older men. The film is to be directed by *Nine and a Half Weeks* director Adrian Lyne.



"I have met Adrian and told him that I would love to do that part," she smiles, adding, before you have time to ask her the next question. "The idea of nudity doesn't worry me at all."

In these days of regular doses of fleshy screen sex this may not sound all that novel coming from an actress, but what you have to remember is that Milla is just 16 years old! There is something very worldy, very grown up, very mature about her — and not just her shapely figure. It's a little like the 'Mandy Smith syndrome' of a younger girl in a woman's body. When the age thing is pointed out to her, as it often is, she bends forward and fixes you with her ice-blue eyes and deadpans: "You know all this business of my age is a scam. I'm really 45 years old and just happen to know a very good plastic surgeon."

But then Milla started young. Already she has a whole catalogue of work behind her. She has been in front of the cameras since she was 11 when she was spotted by a photographer and sent along to a Los Angles model agency. One of the people who worked in her agency remembers her as a "preciously beautiful prepubescent 11-year-old with a quirky self-possessed manner, an air about her that she was someone — a star."

Soon people like Hollywood celebrity photographer Herb Ritts were taking pictures of her and she ended up on the cover of *Vogue*, *Time* magazine, *Newsweek* and trendy bible of style, *The Face*. She was earning up to

"The idea of nudity doesn't worry me"

up to $3,000 every time her face appeared. Not not bad for a Russian, hence the unusual name.

Milla was born in Kiev — home of the famous football team and that chicken dish — with a Russian ballet dancer for a mother and a Yugoslavian doctor for a father. Her father thought he could give his daughter and wife a better life in the West and it was a toss up between England and California. California won and when she was just five the family moved to LA. Russia became a vague memory and as she grew up she threw herself into the Californian lifestyle.

"I remember when I first started going out I went to this night club and had on this tiny mini-skirt and I thought I looked really cool," she recalls of her induction into the West Coast scene. Her modelling career expanded into acting — including several TV shows — and is also about to encompass singing. She's no stranger to saucy films. Her debut saw her take the part of Sherilyn Fenn's sister in *Two Moon Junction*, a soft focus film which saw the *Twin Peaks* star going heels over head for a greasy truck driver. Milla was actually banned from watching the sex scenes being filmed because they thought it would embarrass her, but she doesn't shock easily.

"I got used to exposing my body and I didn't feel at all uncomfortable"

In some ways she's very grown up indeed. She has a wicked sense of humour for example. Ask her what she does for entertainment and she replies: "I go out to night clubs, drink, take some light drugs. Then there's the new porno film I have coming out..." she says with a tone so convincing that you have to catch her eye to realise she's jerking your gherkin.

Not only has she a sense of humour, but she's smart and piles her way though some highbrow reading matter.

Ask her what her biggest extravagance is and you'll find out that it isn't clothes, cars or cash-heavy jewelry, but lawyers. True to Californian style the family are being sued, an occupational hazard that side of the pond. In this instance by Milla's ex-manager, although she won't say exactly what for. She is philisophical about it, as is she on worldy and serious matters. Like drugs for example...

"Some of my close friends had a bad drug problem and they had to go into rehabilitation. You do drugs and you'll never feel the same again."

And the environment...

"I used to eat fast food all the time," she says. "Then I heard that the company wasn't doing very much to help protect the environment so I stopped on principal; not just because of my figure."

Ah yes, back to her other striking asset: The loincloth and straggle of strategically placed hair doesn't hide much. A shapely, leggy figure struts out over the golden sand and dives into the crashing waves...

If there was one person you could be stuck on a desert island with, you couldn't do better than Milla. ♣

Thrilling Threesome

My wife and I have an open marriage and always share our fantasies with each other. When she told me she really wanted to fuck two guys while I watched, I was so turned on I immediately set out to find a couple of likely candidates!

My workmates Alan and Gerald had often commented on Tara's great figure and sexy manner, so they seemed the obvious choice. I called them up and asked them if they fancied joining us for a few drinks at our place that weekend — and we had some fantastic sex the rest of that week, anticipating Tara's big adventure!

When the guys arrived on Saturday afternoon, I hid in the wardrobe in our bedroom, and Tara told them I was away on business. She got them both upstairs on some pretext — she looked so great in a tight dress which just showed her stockingtops that they were putty in her hands. Then, as I peered out from the wardrobe, she treated them to a slow strip.

They both looked a bit shocked, but her exhibition was too much for them to resist, and they both got their cocks out as she took off her bra to reveal her hard nipples, then wriggled out of her panties to show them her juiced-up cunt. She got them to kneel facing each other, so one could lick her pussy while she sucked the other's cock, changing around frequently so all three of them were soon in a state of extreme arousal. But that was nothing compared to how I felt, watching my wife getting seen to by two guys!

Unable to hold back any longer, I burst out of the wardrobe and shot my load all over Tara's lovely bum, then settled down in a chair to watch the rest of the show. With my encouragement, Alan slid his cock right up her and started to fuck her, as she carried on sucking Gerald's dick.

As a grand finale I was the lucky man who got to shag Tara uninterrupted, while Alan and Gerald both watched. The whole thing was so exciting — and satisfying — that we're planning to make it a regular part of our sex life! — *Mark, Coventry*

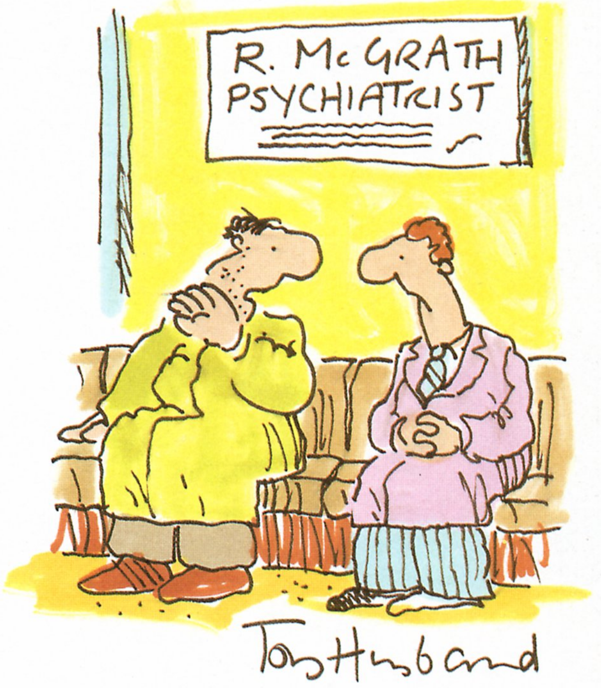
Lezzie Lust

My name is Rachael, I'm 19 years old with brown eyes, dark hair and a 34-24-34 figure. I have a good friend called Nicki who lives in Newcastle and we see each other about three times a year. When she got in touch with me last month and invited me up to stay for a few days, I gladly accepted the invitation.

Nicki works as a nurse, and occasionally has to work night shifts. Unfortunately, while I staying with her, she had to go into work to do a shift. She apologised profusely, and told me to make myself at home.



Psst... remember you're a Womble

I was a bit pissed off, I mean I'd planned a weekend of partying and man-hunting, but there was nothing that I could do about it, so instead I sat down in front of the television with a few beers and a video. I certainly wasn't expecting any company, so I sat in her living room wearing a skimpy T-shirt and a pair of knickers. I'd just settled down when there was a knock at the door.

I answered it to find Annabel, a very glamorous looking friend of Nicki's, standing on the doorstep. She looked as if she'd been at a party or something — she was wearing a bright red top and tiny cutaway jeans that

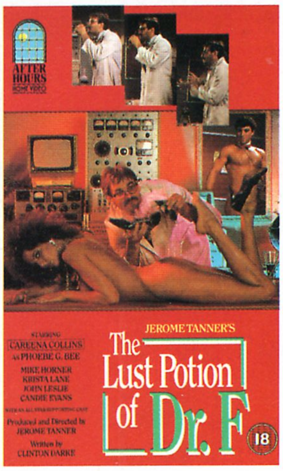
TAPED!

Club's naughty vid viewer, **Allan Bryce** — the only man to have been born with hairy palms and square eyes — casts his mince pies over the filthiest flick of the month...



As far as the movies are concerned the tale of *Dr Jekyll and Mr Hyde* is like a cheap lunch — it just keeps coming back. The latest example is a potent cocktail called **The Lust Potion of Dr F**, which arrives in our video shops this month. The hero/villain of the piece is a sleazeball scientist by the name of Dr Mortimer Lespecker, who has the dress and hairstyling sense of Patrick Moore. It seems the good doctor would rather spend his time slobbering over dirty magazines than fiddling with his test tubes, and when his busty assistant asks what exactly his ambitions are, he says he'd like to come over her face. "I'm sorry," she replies, "but I don't really get off on watching ugly guys beg for sex."

While we're pondering on how much of this dialogue was actually in the Stevenson original, the doctor is approached by a nubile starlet who offers to pay him a fortune to create a potion that will keep her young. If he does the business she may also consider screwing his brains out, so before you can say 'major scientific breakthrough' he's knocked up a foaming green brew that even Dean Martin would think twice about drinking.

But Dr Les is made of sterner stuff and decides to test the formula on himself. Then in a scene that sets special effects back to the dark ages, he's transformed from a scrawny bookworm into a musclebound hunk. His assistant sets eyes on him and decides that her tonsils could do with a good polishing.

Therefore our hero's high jinks earn him the nickname of Dr F — and it ain't for flatulence. Produced by Jerome Tanner, this shot-on-video flick is cheaply done, utilising only a few sets. But that doesn't really matter when you've got a cast full of nubile nymphets all eager to drop their drawers.

The Lust Potion of Dr. F is a stimulating mixture of sex and humour, and even though the sex scenes have been cut down, the movie is still well worth watching. ♣

WATCHFROG

The croaking consumer column that croaks all over the culprits...

Dear Watchfrog,
Worra bummer, man! I refer, of course, to the enclosed, so-called 'Pot Noodle'. Recently I ate ten of them and I didn't even get a slight 'buzz' or feel 'high' at all (although I did feel slighty queezy for about 48 hours afterwards). I have also tried rolling the dried contents into a 'reefer' and taking a few 'tokes' with the 'cats' and 'chicks' down at the daycare centre, but not a single one of us 'tuned in', 'turned on' or 'turned up' our hearing aids. I am a retired karma-mechanic and I can honestly say, with my hand on my heart, that such a 'heavy trip' would never have been laid on anyone during the 'Flower Power' generation. I think it's an absolute disgrace!
Mrs Zen, Glastonbury

Watchfrog Says: Oh dear, Mrs Zen, it seems that you are one of many ageing freaks to be caught up in this slang-time-warp-mega-muddle. 'Pot Noodle' contains no drugs whatsoever (although you do get a very pleasant 'rush' if you cut it with an equal amount of Ajax scouring powder, chalk or flour and bake it in a wholewheat biscuit). However, your letter isn't the only one that we've received on this alarming topic, so isn't it about that time the Government moved to squash this Pot-

Dear Watchfrog,
Why, oh why, oh why doesn't somebody do something about this bloody appalling situation? I recently purchased the enclosed satellite dish from my local Chinese supermarket. Despite many hours of delicate adjustments I have not yet been able to get any of the exciting range of 70s sitcoms which appear on BSkyB.

I was also hoping to watch some soccer on the telly, so that I could have a bloody good moan about the players not being as skilful as they were in my day. I ask you, is it for this that I routed the Madhi and his ferocious Dervish horde?

Budleigh Salterton

Watchfrog Says: Ooops a daisy, Brigadier Bagged-Abrace! It seems that in your hurry to catch a brief glimpse of BSkyB's scintillating programming schedule you have purchased a wok instead of a satellite dish. A wok is just the thing for rustling up some crispy Chinese-style vegetables in a tangy orange sauce, but it is highly unlikely to help you tune into Frank Bough and his superb "Sensible Sweater Show". However, your letter has highlighted an increasingly frequent problem amongst our old folks. Here at Watchfrog we think the Department of Trade and Industry should act straight away to stamp out wok-related worries and satellite dish disappointments. A simple warning, printed on every single wok reading: "This is for cooking greasy overseas grub, not for watching repeats of 'Man About The House', you daft old coot!" in luminous braille ought to help. Let's keep our Sudan war veterans safe, that's what I say!

Addicted to heroin, extra-strong lager and those cheesy snacks that look like corrugated iron, Puff was last heard of living in a squat with a gay gryphon rent boy in the mythical species quarter of Honnalee.

Jack 'Toilet' Paper did even worse. Working for the notorious Clay Brothers cleaning the kharsi of one of their West End clubs, he was axed to death by Reggie for putting the bog roll in the holder with the lose end facing outwards.

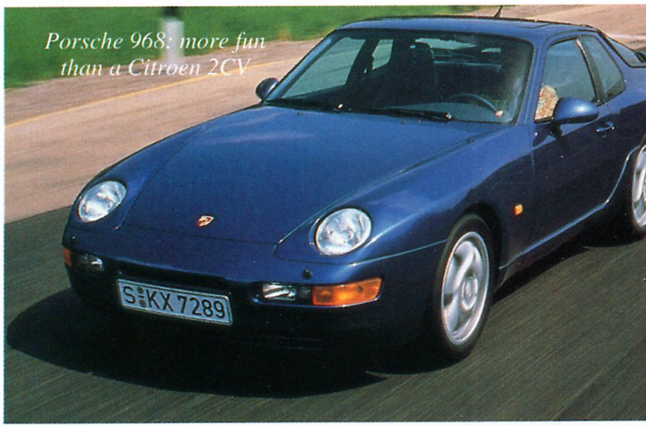
U CAN'T TOUCHNICHT!

Horst Pipe discovers the new Porsche 968, and with a skid and a buzz realizes he'd probably have more fun riding a battered 2CV...

It's not every day that Porsche launch a new car, and when they do it's usually just another version of the Car That Won't Die — the 911, a model which has seen more modifications over the last 25 years than Michael Jackson. But today Porsche has a new one — trouble is, it looks like the old ones. The reason for this is Zuffenhausen's policy of *Vorsprung Don't Touchnicht* (translation: if-it-ain't-broke-don't fix-it). If something works for Porsche they stick with it, and apparently as the rear end of the 928 works so well, as does the front end of the 944, they've simply put the two together. According to my Casio half of 944 plus half of 928 equals 936, but Porsche call it 968 and very nice it looks too. When it goes on sale this Spring it will push out 240bhp, 156mph, 0-60 in 6.5secs, and all from a torquey little four-pot with a six-speed box.

One area in which the motor trade has grown during the recession is in the number of repossessions. That's bad enough, but according to a report in *AutoClassic* it's not as bad as having your car possessed. Rover P6 owner Peter Cavanagh reckons his car is haunted, claiming the car drives itself and that petrol vanishes overnight. There might be something in it — Cavanagh's registration number is 666 CRY.

Ayrton Senna was recently caught speeding: the Brazilian barnstormer was clocked at 130mph, but they let him off with a caution. A few days later a student was pulled up for doing 40mph in his Citroen 2CV and was nailed on the spot. Is this justice, asked a whingeing letter to *Autocar & Moaner* magazine. You bet it is — if God had intended 2CVs to go fast, he wouldn't have made them cheap enough for students to buy. And that's where a bloke called Nick Thompson comes in: his company Sussex 2CV remanufactures the famously hideous heaps and sells them at — wait for it — eight grand a piece.



Porsche 968: more fun than a Citroen 2CV

But if you think 2CVs are crap, grab hold of this: soon you'll be able to buy a new 1957 Morris Oxford, a bulbous heap which in its day had absolutely nothing to recommend it. When we still ruled the world it was customary to sell the natives all our rubbish, a policy which is finally coming home to roost now that the Indians, who still build Oxfords under the grand name of "Hindustan Ambassador", are threatening to export them back over here. That's not all either — from Korea there's the Daewoo Le Mans (aka, the Vauxhall Astra), and from Taiwan the Yue Loong Feeling (a Nissan). Worst of all is the Moskvich 2141 — a 1970s Chrysler Alpine — which Lada have, thankfully, decided not to bring over here because even they think it's too horrible.

Meanwhile in Czechoslovakia, Tatra are rumoured to be working on a hi-tech, 160mph supercar. No really, I read it somewhere, don't laugh... ♣

Tracey

Photographs by Jack Harrison

This month's stunning centrefold, 21-year-old Tracey, is more than pleased to be making her debut in Club. For the clothes designer from Lincolnshire it's a complete

change of scenery.

"Before I started taking my clothes off for a living," reveals Tracey, "the only modelling I had done was showing off my own designs at the college where I studied. In fact, that's where I was first spotted by your photographer — and I'm glad to say that I haven't looked back since!"

But surely nude

modelling is a world away from strutting your stuff on the catwalk, we asked.

GRIPPING YARNS

Journey to the Ore Chasm

It takes a special kind of explorer to venture to Artz Hole — the gateway to the centre of the earth. **Sir Lancelot Groyne-Grinding** is that explorer; fearless, brave and nicknamed 'The Human Mole' because of his fondness for the underground, he's the only man who stands a chance of defeating the fiendish hun and reaching Ore Chasm...

"I firmly believe, gentlemen," said Sir Lancelot Groyne-Grinding to his audience of members of the Royal Institute of Brainboxes, London, "that the centre of the earth can be reached. Alas, my recent expedition to Argentina proved fruitless. Despite spending hour after hour on the Clitto Risso Plateau I could not find the opening that I was looking for. Now, however, I think I have the answer. Switzerland, gentlemen, the Artz Hole... "

"Of Europe!" cried one of the assemblage, who had evidently visited Zurich.

Sir Lancelot ignored the interruption, "... the Artz Hole. A labyrinth of cavities. I believe I may penetrate the earth's core by advancing to the deepest chamber, Ore Chasm, and then boring through the floor... "

"Zzzzz," snored the illustrious gathering.

"Well, Groyners, old boy," said Sir Lancelot's co-explorer, Prof. Barnabus Allactic, "you've certainly bored your way through this speech."

Sir Lancelot was preparing his retort when one of the Institute's retainers rushed into the room, paused a moment and then exploded. "Servants these days!" snapped Prof. Allactic, "imagine just bursting in here like that!"

Next Day At Grinding Manor

Grinding Manor was the family seat of the Groyne-Grindings. Its owners boasted that it had housed the Groyne strain for longer than Bryan Robson. In the Gun Room Sir Lancelot was pouring over a map of Switzerland. He was a short-sighted man and had failed to notice that the butler had removed his tea cup. It was because of his myopia that Sir Lancelot had taken to caving. Once in the darkness his disability was forgotten and he could scurry about as rapidly as anyone. Because of his fondness for the underground world the press had dubbed him the 'human mole'. As if to live up to his nickname he had recently ruined the greens of several major golf courses.

As the nobleman dried his map before the fire, the door to the room opened and his lovely young wife Lady Letitia stepped in. Her face was flushed, her breath came in short pants and her large, firm bosoms strained against her opaque silk blouse like two zeppelins emerging from a morning mist. "Lancelot, Lancelot," she groaned, "I do believe my lack of... ", she searched her mind for a delicate phrase to describe her condition, "... lack of emotional release is playing tricks with my mind. Just now by the stables I thought I saw a bowl of jelly and custard urinating in a horse trough."

"Don't bother me with your piddling trifles, girl," yelled Sir Lancelot, "I've got an expedition to organise!"

Lady Letitia seemed not to hear him. She quickly flung herself over his desk, hitched up her skirt and cried, "Take me, Lancelot. Take me however you wish!"

"Very well, dear," said her husband, "but it will mean spending prolonged periods on your hands and knees."

"Wonderful. Wonderful!" groaned Her Ladyship.

"Jolly good," said Sir Lancelot cheerily. "Pack your bags, darling. We leave for Switzerland on Tuesday."

That Afternoon

So far the members of the expedition could be accounted thus: Sir Lancelot, Lady Letitia, her ladyship's maid, Lydia Saucepan, Prof. Allactic and the Swiss guide, Uwe Foch. There now remained just three positions to fill, that of the firm-jawed-young-hero-who-would-save-the-day and those of the pair-of-suspicious-looking-foreigners-who-might-just-be-up-to-no-good. The card placed in the newsagents window had attracted a number of applicants.

"And you, young fella me lad," Sir Lancelot said to the army officer who stood before him. "What's your name and what are your attributes?"

"Balls, Sir," blurted the handsome youngster.

"Sign him up, sign him up!" cried Lady Letitia, who had insisted on sitting in the selection committee.

The officer blushed. "Er... Captain Jocelyn Balls, Lincolnshire Light-Headed Infantry, Sir. As to my attributes, I'm not greatly endowed in the prognosis department, but when it comes to giving Johnny Foreigner a bloody nose then paint my bottom indigo and call me a bluebottle if I'm not the man you're looking for, Sir!"

Sir Lancelot allowed a faint smile to pass across his normally impassive countenance. "Welcome aboard, Captain," he said.

Phlegm the butler showed in the next applicants. And what a strange pair they were! The larger of the duo sported a handlebar moustache, stars and stripes waistcoat, cowboy boots, stetson and leather shorts. The smaller man, who was evidently some kind of servant, was a silent dwarfish figure who bore an uncanny resemblance to Peter Beardsley. He wore buckskins and, upon his head, a pickelhaube decorated with a motley selection of feathers.

"Gutentag, mein herr," growled the bigger man with a bow, "I em Doctor Katz of Munich, er, I mean, of course, of Milwaukee in the gut old US of A. And gotten himmel could I do wiz a slice of mom's apple pie, yessiree, Bob. Pairhips you hef heard of me, ja? I em the inventor of glasswool. Created quite a fashion for see-through sweaters back home! Ho, ho, ho! Baby Ruth is ze king of bazeball! This is my betmen, ze beck woodsmen Davey Von Sprocket. He is a deaf mute."

"Ja, ja," slavered Sprocket enthusiastically, "I em a death newt, kim-o-sabi."

"But he seems to hear and speak perfectly well," said Sir Lancelot, puzzled.

Katz cuffed his batman round the head before growling, "Ach! Ze super Emerican technology, Sir Lens-see Lottie. Our top quecks hef made him well. Hip hip hooray for ze USA! Goodnight John-Boy! I'm a yenkee-doodle-ding-dong. Yee-hah!"

Sir Lancelot eyed the two men thoughtfully. "You yanks are a queer lot," he said eventually, "but the way you slaughter those redskins tells me you've more in common with us Brits than might be thought. I like the cut of your jibs, chaps. Happy to have you along."

Doctor Katz smiled broadly. "Denks a lot, Limey," he snarled aloud, then, beneath his breath, "Britisher schweinehunde, you vill pay for your insolence!"

Three Weeks Later, Switzerland

On the cusp of the Artz Hole, Sir Lancelot's party went about

their final preparations. Captain Balls oiled his equipment; Lydia Saucepan checked her crampons were in position and Lady Letitia fiddled with her cleats. In the corner the Swiss guide, Uwe Foch, was calculating the interest yield on his latest endowment policy, whilst hidden from view behind a boulder, Doctor Katz and his man servant were huddled in conversation.

"Ach zo, Newta, my liddle hunch-backed, lunch-packed-sized friend, it seems that now we are in a position to give the Kaiser a good service. Ze secret tunnel designed by Herr Peez to stretch from Berlin to Basildon and enable the glorious German nation to conquer the feeble-minded British is in danger of being discovered by this dumbkopf, Sir Lancelot. From now on we must protect this project, which the Kaiser, with true Prussian gallantry, has named after his mistress. Maria Passage must be guarded at all times!"

"Ja mein leader," gibbered Newta. "Wiz all zese ex-public schoolboys about you are are vize to take such measures. Zey hef such peculiar hebits."

"Fool!" growled Doctor Katz, but before he could admonish his batman further he noticed that Lady Letetia was approaching. Her golden hair glinted in the Alpine sun and her pert buttocks, tightly packed into her lederhosen, were as clearly outlined as two bowling balls in a small suede shoulder bag. Her voice trembled as she spoke. "Doctor Katz, I hear that you Americans have a much more modern attitude to sex than us British."

"Sex?" Doctor Katz looked puzzled for a moment. "Ah, ja! Sex. Ja, very modern. And so many different types. Potato sex, cement sex, rubbish sex, plastic sex! Hets off to my Uncle Sam, yessiree!"

Lady Letitia screamed quietly. "Well, I suppose a fuck's out of the question?"

Doctor Katz laughed. "Ho, ho, ho! Always you limeys are thinking of your fucks. But there really is no time for that now. Your fucks hunting must wait until we are back from the Artz Hole. Gosh, darnit. I love Lucy, yessiree!"

Lady Letitia turned smartly on her heels and went off to find out the real truth about Alpine horns.

That Night, Down the Artz Hole

After many hours squirming around on their bellies, Sir Lancelot's party were on the verge of Ore Chasm. Suddenly, from the rear came an ear-splitting cry.

"Crickey-mickey and splatter me sideways with a strawberry blancmange," exclaimed Captain Balls, "that sounded like Lydia Saucepan!"

"Yes," snapped Prof. Allactic, "and by the tone of her voice I wouldn't be at all surprised to learn that she'd been seized by a pair of hairy apemen of the type Sir Lancelot and I have long suspected would live at the centre of the earth along with dinosaurs, nubile young strumpets in skimpy bikinis and a ten foot high pink parakeet named Percy who eats plutonium and once poked a pair of Pan's People."

"Holey-moley and tickle my todger with a zulu's feather head-dress! How can you be sure of that, Prof?"

"I can't," replied Prof. Allactic seriously. "It's just an educated guess."

Sadly the Professor's surmise proved accurate. Lydia had been carried off by two hairy apemen. And Lady Letitia was green with envy.

Late next morning, however, bruised and slightly shaken, Lydia returned to camp. She had an alarming tale to tell. The apeman had taken her to a distant cave far below the ground, bound her hand and foot and then: "The big brutes pulled out their sausages, Sir!" Lady Letitia gasped loudly. "What sort of sausages?" asked Sir Lancelot horrified.

"Ooh, great big 'uns they was, Sir Lancelot. As long and thick as a donkey's doo-dah. Cor blimey, strike a light, stone the crows... "

"My God!" exclaimed Prof. Allactic. "They sound like German sausages. I'd stake my reputation on the hypotheses that those 'apemen' were members of the Kaiser's crack Hihohihoitsofftoworkwego Dwarfen Battalian in a fiendish disguise. But what would they be doing here?"

"Well knock me down with a brace of bloaters!" ejaculated young Balls. "I bet the revolting Bosh are digging a tunnel to dear old Blighty!"

"Her Majesty's Government must hear of this at once," cried Sir Lancelot loudly. But before he could begin to write a postcard a gruff voice snarled at him from the darkness. "Nutso fest, Britisher bacon-hounds!" and from a side cavern Doctor Katz emerged. He was fingering his little pistol nervously. Behind him Newta gibbered loudly with delight. "Now thet you hef uncovered the Kaiser's top secret underparts you will remain here filling Maria Passage forever!" He pointed his pistol at Sir Lancelot and began to squeeze the trigger.

At that very moment from high above them there came an immense squawk and a ten foot high pink parakeet swooped down on the evil kraut duo, knocked them over and then trampled them to death.

"G'day, cobbers," said the parakeet when it had finished. "Have you got any plutonium on you? I'm bloody starving."

"Just as we thought," chorused Sir Lancelot and Prof. Allactic in unison, "Ha, ha, ha, ha, ha, ha... " ♣

I had the lot — pony, pretty clothes, every single outfit Sindy ever owned — and I'd still sulk. I should've been given a good spanking. Perhaps I still should. WOMEN'S WRITES

Where the girls get down to business

FOOTBALL FANTASY

I'm quite a keen footballer, and play in our ladies team in the Scottish border town where I come from. We're quite good, and recently we got through to the local ladies semi-finals. A large crowd, mostly male, always gathers to watch the matches — the local guys like nothing better than to watch lots of women getting physical, their boobs bouncing under their kit!

I always get a real thrill from knowing there are so many eyes on my big tits, squeezed under my tight top. I get really wet, with my nipples brushing against my rough shirt, and my shorts riding up against my snatch, rubbing my clit and pussy lips. And it's not only the thought of so many guys watching me — it's also some of the girls on the opposite team!

Now, I'm not a lezzie, but I must admit that I've often fantasized about being caught in the showers by Nicky and Abby. I'd wash their bodies, running my hands over their tits, soaping their nipples up to hard points. Then I'd soap their cunts, letting my fingers slip and slide over their pussy lips, stroking their clits, all sticky from the soap. When I get really carried away by my fantasy I'd imagine kneeling in front of Nicky, shaving her mound so her slit would stand out pink and inviting, dripping with water and cunt juice. I'd lean forward so my tongue could probe her delicious cunt, as Abby fingered me from behind.

Anyway, the day of the semi-final, the weather was warm and sunny. Things were going pretty well, and I was standing near goal, waiting for one of the other girls to take a corner. As the ball soared towards me I leapt, about to head it into the net, when something hit me from behind. Obviously someone else had gone for the ball and smacked her head against mine; but at the time all I knew was that I was lying on the grass, feeling rather dazed and confused.

The next thing I remember was opening my eyes in the cool of the trainer's room. Nicky and the medic were standing over me.

"You took quite a knock there, young lady," smiled the medic. "But you'll be okay in an hour or two, so just lie there and relax." Then he left, promising to check up on me later.

Nicky sat down beside me. "How are you feeling, Rachael?" she asked.

"A bit rough, but I'll survive," I said, managing a grin. I did feel a bit dizzy, but the sight of Nicky leaning

over me, her big boobs straining against her shirt, made me moan out loud.

"Are you sure that you're okay?" she asked me.

"Mmm, just sore." I twisted slightly, aware of her eyes on my heaving breasts as they shifted under my top.

"I'll rub some oil on you," she murmured. "It'll help relax those aching muscles." I could hardly believe my luck! Was my fantasy about to become reality?

Nicky stood behind me, gently pulling my jersey over my head, freeing my big tits. My cunt was dripping wet in anticipation of her first touch, the juice soaking my skimpy shorts and making a wet patch on the shiny black couch. As Nicky's firm hands brushed against me a shiver ran right though me, making my nipples tingle and my pussy throb.

"Does it ache here?" Nicky asked as she began to massage my shoulders. But before I could answer her hands slid lower, to my tits. Kneeding and stroking, her fingers slowly caressed me.

"These look like they need a massage," she whispered, pouring a thin trickle of baby oil onto my hard nipples. I trembled as she ran a finger around each one, gently pinching and pulling at them. Then she started stroking them with big, circular movements, massaging the whole of each tit, making them glisten with oil.

I moaned, my hands clawing at my crotch. She smiled in response, letting her hands slip further down until the tips of her fingers were touching my pubes. I couldn't bear it any longer, and pulled off my shorts.

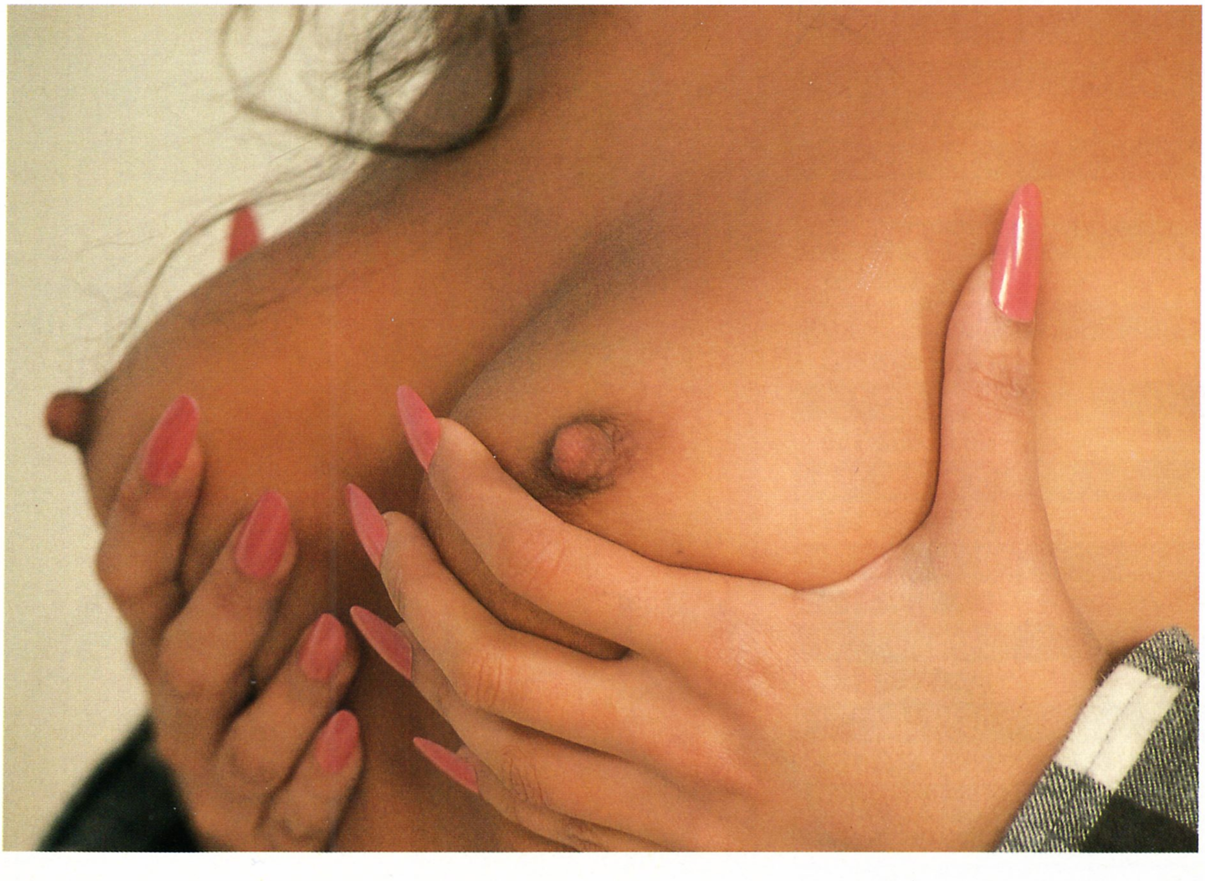
Nicky moved to the foot of the couch and dipped a finger into the pool of cunt juice that had formed on the leather. Then she spread my legs wider apart, lowered her head and began to lick my sticky hole, pushing her tongue right inside me.

I grabbed her hair and held her head tight against my pussy, shaking from the incredible sensation rushing through me. The pleasure built until she must have felt that I was near to coming, because she stopped lapping at my cunt and sat up to take off her top. Her tits were huge, but firm and creamy.

Nicky knelt between my spread legs and began to rub her beautiful tits all over my throbbing cunt, teasing my clit with her stiff nipples. Looking at those mammoth boobs nestling between my legs was making me so horny that I pulled her up to me and hungrily licked my cunt juice off her tits.

Suddenly the door opened and in came the medic. He stared in amazement, and the promising bulge in his trousers grew in a way which plainly revealed the effect our sexy romp was having on him. Nicky smiled as she turned around so her pussy was right over my face. She let me lick it a couple of times — my first taste of another girl's cunt! — before spreading her love lips with her fingers.

It was an invitation the medic couldn't resist. His trousers were around his ankles in moments, and his thick, swollen cock certainly lived up to its promise. Nicky gasped loudly as he held her hips and eased his cock into her gaping cunt, just inches above my face.



I could never in my wildest fantasies have imagined anything as horny as feeling Nicky's wet tongue stroking my pussy while above me a hard cock thrust into her cunt time and time again. Finally she cried out in pleasure as the medic shot his creamy load right up her hot hole. Then she lowered her sopping snatch onto my face so I could lick out the sweet mixture of her cunt juice and his spunk. As her pussy quivered against my wet tongue I felt my own orgasm wrack my body.

Needless to say, the football game was completely forgotten, and it wasn't until we showered with our teams after the match that we discovered that the result had been a draw. Nicky and I grinned at each other, already thinking of the re-match that was to come, and resolving to make the most of injury time! We've been getting together regularly ever since, so no more excuses, I can get a rub down or some 'special treatment' any time I want!

THREESOME THRILL

A couple of months ago, I told you all about the sexy adventure myself and my flatmate Simone had with a very horny French student. He's never been the same since he was treated to a private showing of our bathtub lezzie routine!

Anyway, Simone got so excited when she read all about that night in the pages of Club that she demanded I write in again and tell you about another of our outrageous encounters. And I know just the one that'll really turn you all on...

As you already know, Simone and I don't have much trouble attracting plenty of guys, but sometimes we fancy a bit of a challenge. And for a few weeks I'd had my eye on a particular guy at the college where we study. I'd caught him looking at us a couple of times, but he'd always blush and look away when he realised we'd noticed him. Now, as I'm sure lots of you girls out there already know, there's no challenge quite like a shy guy!

It took the two of us a while to figure out a way to get our hands on Jeff, but finally we hit on a plan. We waited until he went into the college library, followed him in, and collected a huge pile of books that we needed for a project; then 'accidently' bumped into him on our way out. He blushed like mad — mainly because Simone had undone a couple of extra buttons to give a stunning view of her cleavage — but being the perfect gentleman he offered to give us a hand. Before he had a chance to back out, I shoved a pile of books into his arms and told him to follow us.

We only live just around the corner from our college, and we soon had Jeff settled in our livingroom with a cup of coffee. He was still acting terribly shy, but I noticed his eyes returning more and more often to the swell of Simone's boobs under her thin blouse, and I reckoned he had definite potential!

Still chatting away to Jeff, I got up from my chair and went to sit on the sofa next to Simone. Casually taking a sip of coffee, I slipped my arm around her shoulders so she was cuddled up close to me. Jeff's eyes were wide with surprise — but that was nothing compared to his expression when I slid my hand slowly down her shoulder to cup her boob through her blouse!

Simone smiled sexily at Jeff as I undid her blouse completely. She rarely wears a bra, and the sight of those big, creamy tits was delicious. Even though this was being done for Jeff's benefit, I could already feel my pussy tingling with lust for my horny flatmate.

Simone moaned gently as I began to lick her nipples, circling them with my tongue before sucking them right into my mouth. It really turns her on when I do this, and I knew her cunt would be creaming up now. As for Jeff, the bulge in his trousers was getting more prominent with every second as he watched the two of us.

I'm sure we could have got Jeff off just by carrying on like that, but it was Simone who added the finishing

touch with her brilliantly dirty mind.

"Kathy's making me feel so hot," she murmured, her voice so low and sexy I felt a shiver of excitement run down my spine. "My nipples are so hard — I bet you'd like to suck them too, wouldn't you Jeff?" Our shy friend nodded avidly. "My cunt's getting really juiced up," continued Simone. "Would you like to see?"

Jeff blushed again, but he nodded eagerly. He looked as if he thought he was dreaming, and he was afraid he would wake up before things really hotted up!

I pulled Simone's short skirt right up to expose her silky black panties. I stroked her mound firmly, and I could feel dampness where her pussy juice was seeping through the thin fabric. Jeff held his breath as I eased the crotch of her panties aside to show him Simone's plump pink pussy lips, framed by a light sprinkling of hair.

"Do you want to see Kathy lick my pussy?" breathed Simone, fixing Jeff with a scorching look which could melt a statue. I wasn't suprised when a massive grin lit up his face. Loads of guys fantasize about seeing two girls together, and now he was getting his own private show. His zip looked as if it would burst any minute!

Pulling Simone's panties down around her ankles, I held her pussy lips apart so Jeff could see how wet she was. Then I knelt between her thighs, spread her legs a little wider, and ran my tongue over her pussy lips. She gasped, and shivered slightly. I knew having an audience was really getting her horny, and from the wetness of her sticky hole I knew it wouldn't take much of my expert attention to make her come.

"That feels incredible," moaned Simone. "You're making me so hot, Kathy. Oh, I think I'm going to come!" From the tensing of her pussy muscles I knew her climax would come any second, and I quickly moved away so Jeff could see everything. At once Simone shoved a finger right into her pussy, yelling as she came.

Jeff looked like his birthday and Christmas had come at once, and I could tell his jeans were straining to contain his hard cock. I decided it was time to get into the real action.

I was feeling so horny I really wanted to find out if Jeff's cock was as big and hard as it looked through his jeans — and then I wanted to feel it right inside me as he fucked me with it! The trouble was, Simone and I had made a little bet with each other, to add to the fun. We'd agreed to see if we could get him to come without either of us even touching him! Still, I didn't think it would be too difficult, and I knew there'd be a real free-for-all once we'd managed it.

Simone was still fingering herself, smiling sexily at Jeff as her sticky fingers slipped in and out of her cunt, and the sight was such a turn-on I wasn't surprised when Jeff eased down his zip to let his cock spring out. It was certainly as big and firm as I'd expected, and I really wanted to get my mouth around it and suck till he shot his load down my throat. But I settled instead for taking off my top and starting to fondle my big boobs.

At that, Jeff's hand immediately closed around the base of his dick, but Simone shook her head and said, "No, don't touch until we say you can!" I think Jeff was a bit shocked by that, but from the smile he gave her I'd say he was even more aroused to think that we were totally in charge of him!

I couldn't wait any longer now to give my cunt some relief, so I wriggled out of my miniskirt. Jeff's eyes bulged when he saw I wasn't wearing panties. Quick as a flash, I had a couple of fingers right up my snatch as I frigged myself, but I was so horny now that it just wasn't enough for me.

Simone must have sensed what was on my mind, because she reached for her bag and pulled out a huge dildo. She pulled me down onto the floor, where I lay on my back as she slid the toy into my pussy, inch by inch. When most of it was inside me she beckoned to Jeff to come closer. There he sat, his throbbing cock getting bigger and harder by the second as it poked up out of his fly, just over my stomach. I licked my lips as I looked at it, while Simone began to fuck me hard with the dildo.

My cunt was so wet the dildo thrust in and out of me easily, and the teasing sensation against my pussy walls, coupled with the sight of a big cock on one side of me and Simone's suckable tits on the other, quickly brought me to the point of no return. I felt my muscles clench tight around the thick plastic which was filling me

up, and Simone finished me off with one last incredible thrust. Just as the last tremors subsided, I felt something warm and wet spray my tits. I opened my eyes to see Jeff's cock pumping jet after jet of his creamy spunk over me. We'd actually managed to make him come without laying a finger on him!

Simone started to lick all his salty load off my tits, knowing that was the one thing guaranteed to get any guy hard again — and a sure-fire way to get me horny again too! Sure enough, within a matter of minutes, Jeff's dick was standing out hard from his crotch, shiny and purple, and apparently harder than ever!

"Do you want to fuck Kathy?" my horny flatmate asked him. Naturally he said he did, so we stripped off his jeans and shirt and got him to lie on his back so I could straddle him. First I rubbed the tip of his cock all over my clitty and love lips, soaking it with my pussy juice. Then, when I couldn't wait any longer, I sank right down onto his rigid pole, my cunt walls wrapping snugly around him.

Simone was yelling filthy words of encouragement as I started to hump up and down on top of him. His hips rose to match my rhythm, making

me squeal with excitement and lust. I reached behind me to stroke and fondle his swollen balls, and he circled my firm nipples, making me tingle all over.

Obviously Simone felt left out, because the next thing I knew, she was standing over the two of us, her legs straddling Jeff so he had a fantastic view of her wet cunt. I pulled her right up against me, and found I could easily reach to tongue-fuck her. I've licked other girls before, but none of them taste as sweet as Simone, and nothing excites me more than the tangy flavour of her delicious pussy.

Soon she was leaning heavily against me as I probed her with my tongue, Jeff's cock pumping into me all the while. As usual, she was pretty vocal about what I was doing to her: "Oh, Kathy, that's so amazing!" she moaned. "Lick me, darling, lick me until I come!" And then she was gasping and shaking as I brought her off.

That sexy sight was too much for Jeff, and I felt his hips buck one last time as he filled me up with his second load of spunk. I think I would have come then too, but Simone didn't give me the chance — she immediately pulled me off Jeff so she could lick all his come out of my pussy. Then I did climax, with her tongue licking me clean and Jeff fondling my tits, a blissful expression lighting up his face.

Jeff never has really lost his shyness in public with us — I think the pair of us together are just too much for him to handle! — but in private he's got up to some pretty naughty things with us since then. In fact, the three of us often skip college to spend the day fucking and sucking each other — I just hope our grades don't suffer from the amount of fun that we've been having together! — *Kathy, Lancaster*

HONEYMOON HUMPING

I know that what I'm about to tell you will seem a little unbelievable — in fact, I can hardly believe it myself — but as we've just got back from our honeymoon, my new husband James has persuaded me to write the whole thing down for you.

James and I have known each other for five years, and in that time we've fucked in more different positions and places and tried more sexy varieties than Heinz! Even on our first date — when we ended up fucking in the back seat of his car at the end of my drive, keeping one eye out for my parents — I knew that James was a sex maniac, and as I'm pretty well insatiable myself, I knew then that he was the ideal man for me. We started living together virtually straight away, because that meant that we could fuck each other whenever and wherever we wanted.

Basically we decided we would get married because several of our friends did so, and besides, it was a good excuse to get everyone together and have one of our parties with a difference. You see, James and I have been avid 'wife-swappers' for three years — and now the wedding meant that the title of our little hobby was entirely accurate!

We first became interested in swapping when, during one of our very open discussions about our sex lives, James told me that one of his fantasies was to see me having sex with another man, or even better, a woman. "I wouldn't mind trying that myself," I admitted to him. "Only another woman could really know what feels good on a pussy, because she's tried it herself."

From there we got in contact with one of those organised swapping groups, and we were lucky enough to meet some great people who shared our interests completely. I'll never forget the thrill I got when James watched me lick out another girl for the first time, or how horny and aroused I felt when I watched James' thick cock plunging in and out of one of the other girls as she wrapped her legs around his hips and yelled in ecstasy.

So, naturally, when we decided to get married, we had to invite all our swapping companions to the do. It was really horny to be standing in the registry office with James putting the ring on my finger while I looked around and saw all these people I'd had fantastic sex with watching me and smiling.

But it was at the reception that things got a little out of hand. Most of mine and

James' relatives stayed for a while but left before the real partying began. We'd hired a suite at the poshest local hotel we could find, rigged up a tape deck and ordered enough food to feed several large armies. After seeing off the last of our relatives, James and I went back to the room to find it in darkness. When the lights went on, we got a huge shock.

Every single one of the remaining guests was either naked or wearing kinky underwear of some kind, like crotchless panties or tiny thongs. There was even one friend of ours, Marie, who was sporting her speciality — thick, black rubber panties with a built-in dildo inside that frigged her and pushed in and out of her pussy constantly. I could see by the way that her lips were trembling and she was looking flushed that she must have been wearing them all the way through the service and was now in an advanced state of arousal.

The best man, Richard, came towards us. I felt a little out of place wearing my white dress which came just above my knees and was made of almost see-through chiffon and lace, especially as Richard was stark naked, his stiff cock sticking up firm and erect.

"This is a present from all of us," he grinned, "to help you start off your married life on the right foot."

I grinned at him. "The right cock, you mean!" I replied, and then I felt James reach around and start to pull down my zip. Seconds later the dress fell to the floor and I stood there under everyone's scrutiny, half-naked and almost unbearably aroused. I reached forward and grabbed Richard's cock so that I could pull him towards me. I could feel his veiny shaft throbbing as he pulled me close and kissed me so hard that my knees buckled and I sank down in front of him.

His cock smelled wonderfully salty, and I just couldn't stop my mouth from fastening around the tip of it. He moaned and held my head firmly at his crotch while I started licking harder and faster, keeping up the rhythm as he bumped his hips into me. I could feel his pubes brushing against my lips as I swallowed as much of his shaft as I could, feeling it hitting right at the back of my throat as I pushed down, then just sucking the tip as I pulled back. He was breathing really hard and I knew that he'd held back as long as he possibly could when I felt the warm spray of his come in my mouth. I swallowed the whole lot.

As we both recovered from my bout of cock-sucking, I looked around to see where James had got to. What a wedding reception he was having!

He was kneeling up on one of the couches that lines the walls of the suite, feeding his length into the mouth of a blonde girl who I didn't know. She was wearing a great deal of red lipstick and where she was sucking him off her mouth had left thick, red rings around his shaft. Her hand was down at her pussy, which was shaved so that you could see all the deliciously wet, juicy folds of her cunt as she kneeled on all fours, sucking my new husband off.

In front of James, Marie was standing, giving him one of her special little shows. She's famous for doing these at our swapping parties. She was standing with her legs apart, her hands first of all massaging her big boobs, tweaking the brown nipples and rubbing her dusky skin. She still had the rubber panties on, and as I watched she reached down and pulled them up tight right into her crotch, so that they almost disappeared up into the crack of her bum. I knew that this would be pushing the dildo of the panties right up into her, and I could see little drops of pussy juice starting to stain the inside of her thighs.

"You know what's inside me, don't you, James?" she was saying to him. "You know that this big plastic prick is pushing right up my cunt and making me so wet, don't you? You might have just got married, but you'll always be a dirty boy."

Hearing women talk dirty always drives me wild, probably because I find it almost impossible to do properly myself. Listening to Marie talking like that to my husband made me shout out, "Fuck her, James — it's what she needs. Stick your cock up her and fuck her!"

My husband quickly pulled his prick out of the blonde girl's mouth and, with it still covered in saliva and lipstick, he pulled down Marie's panties and, as they were still standing up, he pulled her legs up around his waist so that he could push himself right into her cunt.

There was a huge squelching noise as he did so, as Marie was already so wet from the ministrations of the dildo. Soon she and James were humping away like animals, making loud moans of pleasure and thrusting against each other.

I watched as two other female guests rushed to pick up the panties that Marie had discarded, their tongues working in unison on the dildo that had so recently been working its way inside her cunt. Sometimes their tongues met and they'd start to kiss and fondle each other, then their attention would turn back to the dildo again.

All around the room there were couples and trios and every combination you could possibly dream up, all sucking and fucking each other. I felt really pleased that everyone was enjoying my wedding reception so much, but I was in dire need of several orgasms by then, the horny scene had inflamed me so much.

I crawled over to where the blonde who'd been sucking James' cock was still crouching. Pushing her bum up so that her cunt was at the right level for my mouth, I pulled her pussy lips apart and inhaled the delicious aroma of her cunt juice.

It suddenly seemed like ages since I'd had my tongue up a girl, and I was overcome

Then they made me lie down spreadeagled and face down on my desk while one took me deep and forceful from the back while I sucked the other's sausage. We all came at once.

with a lustful frenzy. I pushed my nose onto the blonde's clitoris and rubbed with it as I licked inside her pussy walls. Soon she was writhing in delight and thrusting her haunches right back at me as she orgasmed again and again.

My own bum must have been sticking up invitingly, because just then I felt something cold and wet hit me full on the buttocks. Turning around for a second, I caught sight of two of the other guests, Tom and Barbara, spraying me with a bottle of champagne that they'd deliberately fizzed up.

"Those wet knicks will have to come off now," grinned Barbara, and she knelt down to strip off my lacy lingerie with her teeth! It was an outrageous arousing sensation, as her lips brushed the skin of my bum and touched me between my legs.

"Christ, she's really juicy," Barbara yelled. "Tom, I think this requires your services!"

Immediately Tom had pushed his cock up inside me and was shafting me so hard I was almost off the floor. The combination of that and the taste of the blonde's cunt was enough to almost send me into orbit with the force of my orgasms.

There we were in this daisy chain, the three of us orgasming together, Tom shooting his load all over my bum cheeks after pulling out at just the right moment. As I looked around to see where James was, I caught sight of one of our oldest swapping partners, Linda, shooting the whole scene with a camcorder — what a wedding present that was when we watched it after our honeymoon!

It took me ages to recover from having so many powerful orgasms, and then James confessed to me that he'd screwed three women that night. It gets me really horny whenever I watch that tape now.

And although I know that your wedding night is supposed to be spent exclusively with your new husband, I have to confess to you that the fact that I'd been thoroughly fucked already before we had our wedding night together made it all the more horny. Let's just say I didn't sleep a wink for three days! — *Susan, Notts* ♣

APPOINTMENT FOR SEX

Josie is a real life nymphomaniac who is so depraved she has to keep an Appointment Book. When she is overbooked, the system really breaks down as she is screwed by one and all. Includes multiple sex action, oral orgasms and two-handed ejaculation.

Three sexy young couples agreed to visit our sex shops, take a selection of their choice and let us film them in use:- Julie & Jim choose love eggs, love cream and some porno mags. Peter & Mary choose a 10" dildo and some very sexy underwear. Kay & Allan — choose 'his & hers' blow-up dolls. Watch the results — it's really worth watching.

The beautiful lady at Woodhurst Castle invites everyone to a mystery party. After dinner the excitement begins as the guests go off in small groups. 2 girls and one guy, screwing and sucking. One lovely dominates two strapping males and we do mean strapping. Then two girls in lesbian lust, which leads to a four girl and 3 guy orgy.

BON APPETIT

The French Maid spills wine down the hostess and she's not wearing a bra or panties. The dress soaked through exposes her big breasts. Seeing this she asks the maid to help her off with her dress to reveal all. The husband is first to move when he pushes his hand up the maid's legs straight into her hot, open pussy.

What you get is four full length horny hot & hard Video Films Originally priced ~~£49.95~~ or more each. YES — 4 FULL LENGTH FILMS AT UNDER £2 EACH.

First contact – then it's take off!

MAKE no mistake, we all NEED someone sometimes.

And if your luck is out and you can't meet a partner through the normal channels *(and if you say you've never been there you're LYING)*, a sex contact magazine could be the answer.

I've been taking a look at some of the mags on the market and this week, in my **FIONA WRIGHT INVESTIGATES** series, I bring you my results.

Drawing on my personal experiences and the amazing stories I read in my bulging Problem Page postbag every day I have made a shortlist of the publications I think will best suit *YOU.*

As long as you are 18 or over a genuine contact magazine could be the way to meet the bird or hunk you are gasping for.

Best Choice!

My in-depth probe has settled on **EIGHT** of the best books to buy if you're on the lookout for *fun.*

● HELLO ravers. I'm lifting the lid on sex contact mags. I've had a good look at them (*strictly in the line of duty*) and selected the best for YOU.

● They're packed with stunning birds and well-hung studs together with their pictures. They're genuine, good value and strictly for swinging, broad-minded, sexy adults (just like yours truly).

★ **SEX DIRECTORY (£5)** has direct contacts with fab females. They are featured in full-colour aroused states — and I *know* what I'm talking about there. It's the first colour contact mag in Britain and great value.

★ **EXECUTIVE MENS/LADIES DIRECTORY (£14.95)** Expensive yes — but genuine. Hundreds of ads including phone numbers of models, lonely wives and horny girls. It's bumper, packed with pix.

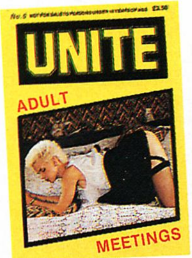
★ **LOCAL AREA CONTACT DIRECTORY (£5)** Hundreds of telephone numbers in YOUR area. See the pics of girls *YOU* can meet.

★ **HOUSEWIVES SPECIAL (£4.95)** See them in the nude. But be warned, the sexually explicit photos could offend people who are not sexually aware. *(That's people who don't read my column, innit?)*

★ **GOLDEN CIRCLE (£9.95)** A new mag. Feast your eyes on great photos. See the women — MEET the women, you hunks. Pure untamed pleasure.

'You can meet that special boy or girl in these fab picture mags'

★ **FACE TO FACE (£4.95)** Contains hundreds of direct phone numbers and horny, full-frontal pictures of ladies, couples and men. They're all looking for someone like you to have mutually satisfying days, afternoons and *NIGHTS* with. Highly recommended by yours truly *(That's me — Fiona, you dumbos)*



UNITE: £2.95

★ **HOT LINE (£2)** Over 500 phone numbers that cater for all tastes — and I MEAN *all* tastes. The most inexpensive direct contact mag on the market.

Naked

And it features naked women in sexual positions to get the fellas feeling really good in the nether regions.

★ **UNITE (£2.95)** Adult, horny and totally sexually aware. Pictures that will shock and excite. Meet partners who will blow your mind. You cannot get a more "to-the-point" directory. Not for those looking for friendship or marriage. Just those looking for a good time and excellent sex. Recommended. Ten out of Ten.

FIONA'S WARNING:
These magazines are for adults only, aged 18 years or over. They are genuine contact magazines for sexually aware adults.

eleanor

Eleanor is something of a mystery to us here at Club. The 21-year-old art student was first spotted sunbathing topless on the beach in her hometown of Brighton, before we managed to take these

Photographs by Jack Harrison

stunning photographs of her in her studio flat in the town's centre. When pressed for some personal details, the gorgeous brunette would only reveal: "I am anything you want me to be... and more."

Well, you can't argue with that, can you, fellas? ♣

tanya

You wouldn't think to look at Tanya that she used to be the shy and silent type, but it's taken the 21-year-old beauty over a year to pluck up the courage to make her debut in Club.

"I know it's silly, isn't it?" laughs the trainee solicitor from Windsor. "I guess I should have done it a long time ago, but I had a sly peek at Club and thought I could never match all the sexy girls you had in

there. It didn't matter how many people told me that I had a nice body, I didn't believe them!

"It wasn't until a boyfriend of mine took a couple of polaroids of me that I realised I was actually quite sexy — and I haven't looked back since," laughs Tanya. "In fact, I'm getting quite used to nude modelling now!"

Well, we're certainly not complaining, are we, fellas? ♣

COMING IN

club

Lovely Lucy here was one of the most popular girls we've featured all year — and next month this innocent young lady is back with an even sexier photoset! But where is the stupid attempt at a gag we usually write in this bit, you may ask? Well, we were so busy looking at Lucy we just forgot to put it in. Sorry. ♣

IN·THE·BAG

continued from page 43

outlined her pussy mound. I explained to her that Nicki was at work and that she wasn't expected back until the morning. "I know that," she replied. "It's you that I'm here to see."

I invited her in and asked her to explain. We sat down on the sofa and I lit up a cigarette. Annabel revealed that her and Nicki had been lesbian lovers for years and that Nicki reckoned I was missing out!

"You must be joking," I replied abruptly. "I'm not like that at all! I love men, and I *love* cocks!" With that Annabel got up from the sofa and stood above me. "Cocks, eh?" she said, and she removed the cigarette from my mouth and stubbed it out. "We'll soon see about that."

Annabel sat down beside me again and put her hand on my knee and started to gently inch her way up the inside of my thigh. I was completely speechless. I looked at Annabel and her mouth slowly moved towards mine and we kissed passionately. Annabel's warm tongue felt really nice as it snaked around the inside of my mouth, and I started moaning quietly as I felt her hand slipping under the elastic of my panties.

I wasn't really sure what I was supposed to do then, but as my hands moved over Annabel's breasts she moaned her approval, so I figured I must be doing something right.

Then I felt Annabel's fingers move along my sopping slit and I gasped as she searched out my hard clitty and began to gently rub it. I began shaking like a leaf and a second later I felt myself come in my panties.

Suddenly Annabel stood up and started to undress herself. I marvelled at her slim body as she peeled off her skimpy top and stepped out of her tight shorts. She stood before me completely naked and I carefully studied her body. She had lovely pert breasts and a very slim waist, but it was her gorgeous pussy that caught my eye. Annabel only had a little bit of sparse, blonde hair on her pussy mound and the rest of her cunt was clean shaven.

I got up from the sofa and Annabel quickly helped me off with the last of my clothes, before we both laid beside each other on the floor. We kissed again and then Annabel manoevered us into a 69 position.

Then I felt Annabel pull apart my cunt lips and I almost fainted as I felt her wet tongue dart into my hot cunt. I was as eager to taste Annabel's pussy as she was to taste mine, and I slowly ran my tongue along her wet slit, before slipping my tongue into her hot twat. Her cunt tasted as good as I'd hoped for and as we both frantically licked each other's cunt, I felt Annabel's pussy walls tighten around my tongue as an orgasm rocked through her body.

Soon after, we both enjoyed a cool shower together, Annabel soaping up my cunt and tits, before she slowly pushed a huge strap on dildo deep inside me. The night ended with the two of us falling asleep exhausted on Nicki's bed, where she caught us red-handed the next morning. As a punishment she made the two of us lick *her* pussy!

I've seen Annabel and Nicky several times since then, and we've repeated that first night together many times!

When will what recession be over?

SON OF BAD JOKE

Andrew from Gateshead sent us this amusing little dittie with the promise that we'd "laugh 'til our balls dropped off". Take it away, Andrew...

An extremely flat chested girl with limited funds went to a plastic surgeon to get her breasts enlarged. The surgeon performed the cheapest procedure possible, which entailed the girl flapping her arms up and down to enlarge her breasts.

Afterwards, the girl went down to her local pub to see what kind of reaction her new tits would get.

She decided to flash them at a good looking fella who was standing alone in the corner of the pub. As she slowly walked towards him, she pumped her tits as big as they'd go. "Hi there," she said coyly, "don't I know you?"

"No, I don't think so," he answered, furiously pumping his legs together, "but I think we have the same doctor."

Well, I'm sorry to say that didn't work, Andrew. Suffice to say if our balls do drop off anytime in the next few weeks, we know where you live and we'll be coming to get you... ♣

FINAL SCORE

*Club's very own trivia expert, **Vinnie Sprockett**, gives us 20 reasons why he reckons it's great to be the male of the species. Although how he would know is beyond us...*

1. *Being given a blow job*

Could you think of anything as jaw-aching as having to actually give one?

2. *Going for a piss*

The sheer joy of being able to write your name with your own urine is unmissable. Slapping it out behind a tree, bush, phone box, bus stop or a parked car after 27 pints of extra-strength lager is one of the world's wonders.

3. *Not having to wear stilettoes*

Although it can be rather nice to have them hooked around your waist in hump mode.

4. *Not having to drink Babycham, Malibu, Bezique, Taboo or any other number of unspeakable tipples*

You just know they're going to taste like shit and who wants to risk being stabbed in the eye with a mini-umbrella or palm tree?

5. *Thrush*

Whilst the idea of smothering your genitals in yoghurt is immensely appealing, why should you have an itchy crotch to make you do it?

6. *PMT*

Who fucking needs it?

7. *Periods*

Just look at the effect that they have on women...

8. *Dick versus clit ratio*

It's particularly useful in having a bigger target area when you are wanking. Think about it, would you rather have a good old pull on a dick the size of a beer bottle, or a butter bean?

9. *Being guaranteed an orgasm every time*

Five strokes and pay day is never far away (obviously you can go on much longer than this). Women have to wriggle like fuck before they get so much as a quiver.

10. *You don't have to worry about getting ready to go out*

No worries about make-up, leg waxing, tampons, hairspray or laddered tights.

11. *Shagging around*

She'll be seen as an old slapper, while us blokes are plain old studs.

12. *Kylie Minogue, Betty Boo, Marilyn Monroe, Suzanne Mizzi, Sherilyn Fenn, Miss World... the list is seemingly endless*

Do you really need an explanation?

13. *Bare breasts, creamy thighs, suck-off lips, tight tushes, wet cunts, open legs and come-to-bed eyes*

See above.

14. *Burping, farting, grunting, snoring, beer swigging, backslapping, brawling, comparing cock sizes, chatting up birds and generally being a lad*

Can you really see a girl doing that little lot?

15. *Not being able to — and therefore not having to — cook*

Men are crap cooks anyway.

16. *Not having to give birth*

This particular experience has been likened to passing a very large bowling ball. Nine out of ten Club readers say: 'No way, Jose'.

17. *Having your face sat on*

Mmmm!

18. *... and/or your balls licked and sucked*

See above.

19. *Football*

Let's face it, what else is there to do on a Saturday afternoon?

20. *Club International*

If only everything in life was as reliable... ♣
